Dear New Barnstormer Member,

Date\_\_\_\_\_

Welcome to our club. As a new member you should have been presented with copies of our Constitution and By-Laws as well as our New Member Guide. Please read these carefully. On-line copies of these, as well as our meeting minutes and other club information can be found on our web site at [www.tri-countybarnstormers.com](http://www.tri-countybarnstormers.com). Be sure to become familiar with our Flying Field Rules, which are part of the initial document package.

Flying experience of new members varies greatly and we probably don't know you very well at this point. Therefore, we ask that you fill out the attached Certification Form and give it to the New Member Chairman. He will see that you are matched with an instructor if you need one; or, he can arrange for a field orientation and check out flight with an experienced member. We need to be assured that you can fly safely and comply with the flying field rules of the club.

Each club member has an obligation to help maintain club facilities. Accordingly, your name will be added to the work detail list posted at the field and also carried on the web site. In addition, from time to time you may be called upon to attend special field maintenance sessions.

We hope that you will enjoy being a Barnstormer. If you need help, please get in touch with us.
