

The Tri-County Barnstormer R/C Club meeting of February 3, 1999 was called to order by President Tom Dwyer.

Minutes of last meeting were read and accepted.

Treasury report was read by Don Ramsey stating that there were 18 remaining payments on the flying field land note.

OLD BUSINESS

The annual audit had been completed by Bart Massey and Jeff Tucker. The President reported that the audit did not reflect any discrepancies.

The President reported on the improved condition of club member Jimmy Davis. Jimmy was injured when struck by an auto while riding to work on his bicycle. President Dwyer outlined plans for field improvements and asked for more instructor volunteers. He also reported that new member applications and other club information materials are in the kitchen part of the field building.

Max Taylor asked for more help with the new building' construction.

President Dwyer announced the 1999 field events. NEW BUSINESS

Two new members, John Powell, Jr. and Brian Harley. WELCOME to the club Guys. See you at the field!

Barnstormers Web Page address was made available to those present. If you have forgotten it is: <http://ourworld.CompuServe.com/homepages/rpursley/tcbs.htm> If you have any trouble getting connected contact Web Master, Richard Pursley, by e-mail at rpursley@csi.com and he will be glad to help. It is a great web site and you can go to all kinds of R/C information from there with only a click!

Don Ramsey asked for judges for the pattern contest scheduled for June 5 & 6.

Max Taylor described a transportable hard top runway system.

Bob Bissell was the only 'Show & Tell' participant with a beautiful 1/4 scale Sig Cub. As you would expect, Bob won the contest!!

The meeting was adjourned. See you at next meeting and at the field. Joe Berryman
