Meetings are held on the first Saturday of the month at the Flying field at 9:30 am
We hope to see you there.

PRESIDENTS CORNER

Welcome to summer flying season. The field is in great shape for our members and visitors. Our fun fly was a great success for the club with lots of raffle and auction items. Next month newsletter will have more details and photos.

Maintenance at the field continues. Fire extinguishers have been replaced and battery ordered for the defibrillator. Volunteers are needed to fix a few additional items at the club such as repairing the wall and ceiling in the clubhouse, painting the doors, painting the parking markers, installing electrical service to the left of the pavilion, and equipment maintenance. Contact one of the board to help out. Thanks

Have fun flying,
Joe

Steve Baker

Secretary report

Hello, Fellow Club Members!

So, this weekend is the Fun Fly, please come out and support your club. Well, I've been flying pretty much every week but battling the wind. It is either 12 mph or a direct cross wind, but it sure does make you sharpen up your skills on landings.

I started restoring/finishing a Top Flite 85" Corsair and a boy building the flaps and making them work correctly has been a challenge! But I believe I've finally got it. It will be powered by a Zenoah 62.

I was speaking to Jay at the field, and he informed me that I could buy a spring starter from B&B Specialties for \$68.95, I believe that's what I will do.

Well, that's all for this month.

Happy skies and beware of the ground!

Steve Baker

Meeting Minutes

May 3, 2025, Tri-County Barnstormer Meeting Minutes

Meeting call to order at 9:35 a.m. April 5, 2025, at the field. Joe, Jeremiah, Steve, Stacey and Jay officers present

There were 13 members and 1 guest present

Secretary Report: April meeting minutes were approved

Vice President Report: Grass is growing, and we continue to need help mowing. Please volunteer to help. It was announced that former club treasurer Sam Burnett passed away.

Jeremiah stated that they would do some maintenance on the mowers, and some rotten wood needed to be replaced in the club house.

We had a ducted fan jet catch fire on the runway last month, so we have updated and moved the fire extinguishers. If you use one please let someone know so it can be refilled.

Treasury Report: \$14,809.29 in the account, all checks have cleared.

The AMA list has been updated.

New Business report:

New member Steve Deutsch was voted in by unanimous vote.

There was a motion to add a connecting sidewalk from the flight stations over to the runway. The motion was approved to get bids not to exceed \$2000 passed.

Old Business report:

May 17th Fun Fly & Swap Meet & Auctions, need volunteers- See Jay

Attendance pot drawing was done, and Ken Bausae was drawn but not in attendance

Meeting adjourned at 10:15 am.

Jeremiah Langlois

Words from the VP

Time is running out August is approaching fast.....

2 more months to get your name on the volunteer list before renewal of our memberships. Make sure you get that done before then... If you have already done your workdays and don't see them on the sign up, get with me so we can get corrected.....

The Grass is still growing at a fast rate! And the aunts still need help keeping them at bay. Thank you to all those helping with this..

We need some volunteers to help with some carpenter work inside the club house to replace some bad wood in the back corner where the wall between the bathrooms and the a/c, in the club house is.

Happy flying and enjoy seeing you all out there soon.

Stace Langlois
