**Meetings are held on the first Saturday of the month at the Fly-ing field at 9:30 am**  
**We hope to see you there.**

### PRESIDENTS CORNER

#### President input:

Wow, what a great event for BEST this year. 51 pilots signed up and field attendance topped out near 100 with all the visitors and volunteers. Many thanks to those that helped with field prep, event support, and cleanup. The weather was great and as usual there was good variety of electric planes, gliders, helicopters, drones and home built contraptions flown. BEST will be sanction for the first weekend in October 2026 so mark your calendars for a repeat great time.

We had the new club shirts for sale and sold all but a few red extra large. Let one of the board members know if you would like one or come to the meeting November 1 and get what is left. Come to the November meeting to vote on the new board members, all positions are open for nominations. Email the board members with your nominations. All board emails start with the position and have the same tag at the end @tri-countybarnstormers.com. Example [president@tri-countybarnstormers.com](mailto:president@tri-countybarnstormers.com) or [treasurer@tri-countybarnstormers.com](mailto:treasurer@tri-countybarnstormers.com). We will also discuss an update to the new building proposal and vote on that activity and others.

After the meeting we will be having a locker sale from Noon to 3pm. Many great assembled planes, tools, and a few kits are available. Come pick up a bargain, something new, or something you used to fly and get back in the air. New in box multiplex 3d, wattage Ultimate ARF, already assembled Razzle, Stearman, Cub ~90", pattern plan, ~100" WW1 bi-plane, decathalon, and many more. See the club facebook page for more photos. Multiple boxes of balsa, coatings, carbon and steel rods, build tools, and supplies like charging stations are available too. All proceeds are to be used for club improvements.

Happy flying.

Joe
